The National Council Licensure Examination for Practical Nurses (NCLEX-PN) is a standardized test that all aspiring Practical Nurses (PNs) must pass to obtain their license and practice. As such, it is crucial to prepare thoroughly for this exam to ensure success. The Lippincott Review for NCLEX-PN by Marcia Scheiner is a highly regarded resource that provides comprehensive guidance and support for PN candidates.

About the Author: Marcia Scheiner

Marcia Scheiner, RN, EdD, is a renowned nurse educator and author with over 30 years of experience. She is well-known for her expertise in NCLEX preparation and has authored several successful study materials, including the Lippincott Review for NCLEX-PN.

Key Features of Lippincott Review for NCLEX-PN

- **Comprehensive Content Coverage:** The book covers all the essential content areas tested on the NCLEX-PN, including medical-surgical nursing, pediatrics, maternity, and mental health.
- **Structured Review:** The material is presented in a systematic and logical manner, making it easy for students to follow and understand.
- **Evidence-Based Practice:** The content is based on the latest research and best practices in nursing, ensuring that candidates are well-equipped with the most up-to-date knowledge.
- **Practice Questions:** The book includes a substantial number of practice questions, allowing candidates to test their understanding and identify areas for improvement.
- **Test-Taking Strategies:** The book provides valuable test-taking strategies and tips to help candidates maximize their performance on the exam.

Benefits of Using Lippincott Review for NCLEX-PN

1. **Increased Knowledge and Comprehension:** The comprehensive coverage of all essential content areas ensures that candidates gain a deep understanding of the subject matter.
2. **Enhanced Critical Thinking Skills:** The practice questions and test-taking strategies foster critical thinking skills, enabling candidates to apply their knowledge to real-world nursing scenarios.
3. **Boosted Confidence:** By answering practice questions and understanding the test format, candidates become more confident and prepared for the actual exam.

4. **Improved Time Management:** The structured review and test-taking strategies help candidates manage their time effectively during the exam.
5. **Higher Passing Rates:** The Lippincott Review for NCLEX-PN has a proven track record of helping candidates achieve higher passing rates on the exam.

Who Should Use Lippincott Review for NCLEX-PN?

The Lippincott Review for NCLEX-PN is highly recommended for the following individuals:

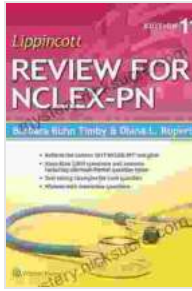

- Nursing students preparing for the NCLEX-PN
- Recent nursing graduates who need additional review
- Practical nurses seeking professional development
- Nurses who need to renew their license

The Lippincott Review for NCLEX-PN by Marcia Scheiner is an indispensable resource for all Practical Nurse candidates who aspire to succeed on the NCLEX-PN exam. Its comprehensive coverage, evidence-based practice, and effective test-taking strategies provide a solid foundation for exam preparation. By utilizing this trusted guide, candidates can increase their knowledge, develop critical thinking skills, boost their confidence, and ultimately enhance their chances of passing the exam and embarking on a successful nursing career.
