

Unveiling the Secrets of the 36 Deadly Bubishi Points: A Comprehensive Exploration of Okinawa's Unparalleled Martial Arts Technique

The Bubishi is an ancient Okinawan martial arts manual that contains a vast repository of knowledge on various combat techniques, including the legendary 36 Deadly Bubishi Points. These points are said to be extremely vulnerable areas of the human body that, when struck with precision, can cause severe injury or even death. The mastery of these points is considered to be a hallmark of true martial arts expertise, and they have been passed down through generations of Okinawan karate masters.

What are the 36 Deadly Bubishi Points?

The 36 Deadly Bubishi Points are located throughout the body, and they include:
